Macomb County Elementary Science Olympiad Tournament

WARREN, Mich. – L'Anse Creuse Public Schools performed very well in the Macomb County Elementary Science Olympiad Tournament held at Macomb Community College South Campus on Saturday, May 18.

Three L'Anse Creuse teams placed in the top ten out of 42 total teams from across the county: South River Elementary took second place; Tenniswood Elementary, third; and Higgins Elementary, eighth. The other six district elementary schools performed well, and L'Anse Creuse ranked in the top ten for all but one of the individual events.
