

Alumni Success Stories

Gerard P. Van Noordennen, L'Anse Creuse High School Class of 1970

Gerard graduated from LCHS and went on to U of Michigan where he graduated there on the Deans List with a BS in Nuclear Engineering. After graduating from U of M he went to Northwestern University for his Masters Degree in Nuclear Engineering and then to John Marshall Law School in Chicago. He practiced nuclear engineering and corporate law in the nuclear energy field.

After retiring as the Director of Regulatory Affairs and Nuclear Safety from the Northeast Utilities Nuclear Companies, he joined Dutchman Consulting as the Managing Partner.

He currently is working as a nuclear licensing consultant for the Constellation Energy Nuclear Group at the Nine Mile Point Nuclear Power Station in Oswego, N.Y. He is also a part-time consultant to the Zion Nuclear Power Station in Zion, Illinois and the Yankee Nuclear Fuel Storage Facilities in New England.

He is married to his wife Andrea, has five children and one granddaughter.
