

Dear Families,

As we prepare for iPad collection, we want to clarify expectations regarding charger returns. Each student must return the **school-issued Apple charging block and Lightning cable** that came with the iPad.

Please note the following:

- **Only the school-issued Apple charging block and cable** will be accepted. Off-brand or incorrect chargers will be sent back home with your child.
- We cannot accept any other iPad charging accessories in the iPad return process.
- If you are missing either item, a replacement fee will be charged:
 - Charging block: **\$19**
 - Charging cable: **\$19**
 - Both: **\$38 total**

For your reference, we've included pictures below to help identify the correct items.

If you need to pay for a missing charger or cable, you have the following payment options:

1. **SchoolPay** (online)
2. **Pay at your child's school**
3. **Call the Technology Department** at 586-783-6550 to pay over the phone
4. **Visit the Technology Department** in person

Thank you for your attention and support in making the iPad return process smooth and efficient.

Sincerely,

LCPS Curriculum & Technology Departments
