PowerSchool

Students and parents can check PowerSchool for updated information about grades and attendance. If you need help accessing your PowerSchool account, please contact Mrs. Nummer in the main office.

SCHOOLGY

- In order to access Schoology parent access, all parents/guardians will need to register for a Schoology account using the Parent Access Code received for their child. If you did not receive your Schoology Parent Access Code, please reach out to your child's teacher. While Schoology is able to be utilized in all browsers, it does tend to work most smoothly in Chrome.

To sign-up for a Schoology parent account:

Go to www.schoology.com

Click "Sign Up" at the top of the page and choose "Parent."

Enter your Parent Access Code: a 12-digit code in xxxx-xxxx-xxxx format you will receive.

Fill out the form with your information.

Click "Register" to complete.

- When you use a Parent Access Code to create an account, you are automatically associated to your child. Parent Access Codes are unique to each student, but can be used to make multiple parent accounts. You can also add additional children to your account using the "Add Child" button.

Technology support

Students are responsible for having their Chromebooks daily and ensuring they are charged. Live chats for tech help are available.

Behavior and Attendance Expectations

We know this last semester of high school has a lot of special events and opportunities, so we want to remind our students that it is important for them to continue to be role models within the school. We do not want them to miss out on any of these events because of inappropriate behavior. It is also crucial for students to maintain consistent attendance in their classes as chronic absenteeism could impact participation in these end of the year festivities. Please remember there are no school sponsored skip days.

Community Service

Please contact Mrs. Hosler in the media center if you have any questions.

All LCPS students must complete 40 hours of community service to graduate. A reflection log must also be submitted. **The deadline for these requirements is May 1st.**

Students wanting to earn **an honor cord for completing 80 hours of service** must have **their hours and forms submitted by April 9th.**

Students can also earn a **Presidential Award for completing 100 hours of service before the March 1st.**

Senior Dues

In order to provide our students with a variety of moments that we hope will become lifelong memories, senior dues are collected. These dues help pay for many events and activities throughout the year, so our students do not have to worry about many different financial commitments; instead, they can focus on having fun and making memories with their classmates before they finish their time as Crusaders. Dues are \$35 and can be paid using SchoolPay. Dues must be paid before a student can purchase a prom ticket.

FAFSA

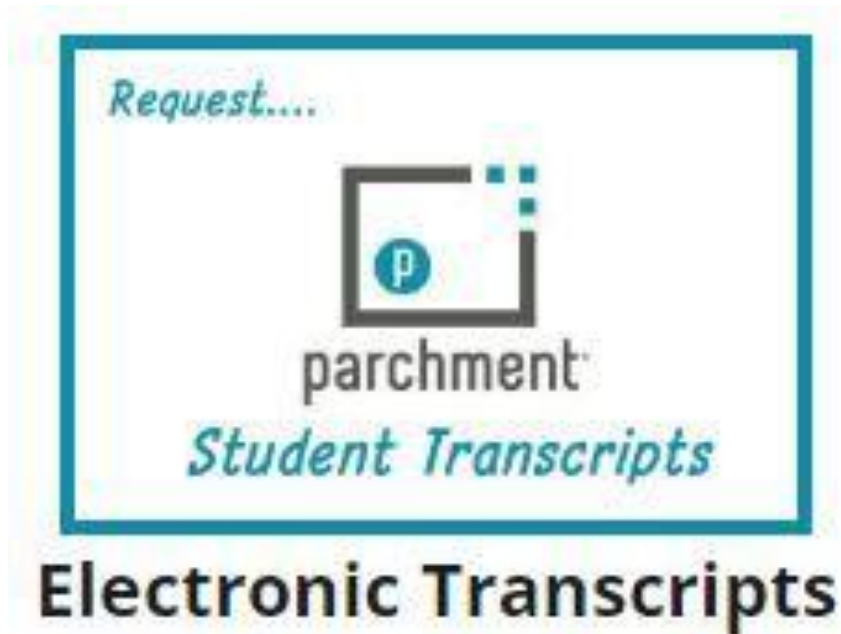

The Free Application for Federal Student Aid (FAFSA) is a form that is submitted by students to determine their financial aid eligibility. It is a required form for federal student aid, such as the Pell Grant and work study, as well as most State of Michigan aid programs like the Michigan Achievement Scholarship. Many students and families are able to complete this form in 30 minutes or less.

Scheduled to open October 1st

Many colleges waive app fees in October

Parchment

Students can order transcripts through the [LCN Parchment account](#). Please contact Mrs. Cassini in the counseling office with questions related to transcripts and Parchment.
