2/25/25

RHF drill - 10/17/24 TOC = 8:42 - intruder went from back parking lot around to the front doors, entered a classroom through an open door, then back outside to encounter classes of students who exited the building.
 * concern = teachers leading students out of the building (in danger) instead of locking down and barricading.

RHF drill - 4/22/25 TOC = 4:51 - call made by teacher via remote PA, most classes locked down, some ran out into parking lot (back).
