MIDDLE SCHOOL EAST 7th & 8th Grade

FOOTBALL PRACTICE SCHEDULE 2025

All participants are to report to the Middle School – East practice field with a current physical card filled out. A current physical is one given on or after April 15, 2025. Bring a combination lock for a locker in the locker room. There is a progression in which equipment is issued - first helmets, then shoulder pads, then the rest of the equipment. Missing any practice days, especially early on, delays equipment being issued. This prevents the student-athlete from fully participating in practices and puts them behind the rest of their teammates. Mouth guards, required when contact begins, will be available to purchase for \$2.00 each.

Winners and Losers: How They Differ

When a winner makes a mistake, he says, "I was wrong"; when a loser makes a mistake, he says, "It wasn't my fault."

A winner goes through a problem; a loser goes around it and never gets past it.

A winner shows he's sorry by making up for it; a loser says, "I'm sorry," but does the same thing the next time.

A winner says, "I'm good, but not as good as I ought to be"; a loser says, "I'm not as bad as a lot of other people."

A winner listens; a loser just waits until it's his turn to talk.

A winner respects those that who are superior to him and tries to learn something from them; a loser resents those who are superior to him, and tries to find ways to make others look bad.

A winner feels responsible for more than his job; a loser says, "I only work here."

A winner says, "There ought to be a better way to do it"; a loser says, "That's the way it's always been done here."

A winner works harder than a loser and has more time; a loser is always "too busy" to do what is necessary.

A winner isn't nearly as afraid of losing as a loser is secretly afraid of winning.
