

Sportsmanship is a way of life at Middle School North...no excuses.

- **We will treat opponents the way we would like to be treated...as a guest or friend.**
- **We will never taunt or trash talk our opponents.**
- **We will respect the integrity and judgment of game officials...they are doing the best they can.**
- **We will maintain the highest moral character, behavior and leadership, adhering to strong ethical and integrity standards.**
- **We will respect the integrity and personality of the individual athlete.**
- **We will set a good example for players and spectators to follow and demand the same from our players.**
- **We will display modesty in victory and graciousness in defeat.**
- **We will be no party to the use profanity or obscene language, or improper actions.**
- **We will accept and understand the seriousness of our responsibility to our school and the community.**
- **REMEMBER, we are at a contest to support and yell for our team and to enjoy the skill and competition, not to intimidate or ridicule the other team and its fans.**
- **Parents, don't live your life through your child's athletic activities. This is their time. This is their place. Let them play.**
