MESSAGE FROM THE PRINCIPAL

L'Anse Creuse Middle School - South, a National Blue Ribbon School, takes great pride in providing the best possible educational experience for each of our students. Our students consistently demonstrate growth and are regularly recognized for their outstanding accomplishments.

The staff at Middle School - South is made up of caring, dedicated, and well-educated professionals, who collaborate regularly on curriculum, instruction, and student-learning. At Middle School – South, our teachers provide a developmentally appropriate, supportive academic environment that assists students in meeting rigorous academic standards. High expectations for all students are coupled with developing lifelong, self-directed learners. As a school, we work hard to create an environment that is accepting and respects the diversity of all students.

The L'Anse Creuse Middle School - South program is designed to ensure that our students have the skills and knowledge necessary to achieve success in a 21st Century society. All stakeholders in our school are invited to take part in our vision for excellence. Since the partnership between parent and educator is essential to the academic success of our children, we highly encourage parent involvement. At L'Anse Creuse Middle School – South, we are proud of our staff, our students, and our school!

Kevin Blum, Ed. S., Principal

MISSION STATEMENT

The purpose of Middle School – South is to prepare our students to succeed in a changing world by becoming lifelong learners. All of our students are challenged with high expectations to meet their full potential by: developing the ability to read and comprehend a variety of materials, developing the ability to write in various formats, developing the ability to solve problems, developing the knowledge to use technology appropriately, developing the habits of cooperation and responsibility, and developing attitudes of respect and citizenship.

VISION STATEMENT

Middle School – South strives to address the needs of all students: Academically, socially, intellectually, and emotionally.

All students are required to take health and physical education each year, unless they are taking a combination of Band, Choir, and/or Spanish.

GRADING AND PROMOTION

Students who qualify may elect to take middle school courses for high school credit. Students must achieve a grade of C+ or above to earn high school credit. The grade and the credit will both transfer.

GRADING, MARKING POLICY, and EXTRA CREDIT

Classes are evaluated within an A, B, C, D, or F grading scale, with plus or minus divisions of these grades applied also. In special circumstances, a grade of "T" will be given to indicate that information was incomplete at the time the grade was awarded. Quite often this is done when a student is ill for an extended period of time. Each core class has a weighted scale of 70/30 for assessments and homework respectively. Exploratory classes have a weighted scale of 60/40 for assessments and homework. Academic Support classes will be marked "credit" or "no-credit" in order to encourage progress without the concern for a grade. Extra credit assignments are not given to raise grades. Extra credit is only assigned for enrichment purposes.

GRADE POINT AVERAGING

Grade point averages are computed on the following basis:

A+ = 4.00	A = 4.00	A- = 3.67	F = 0.00
B+ = 3.33	B = 3.00	B- = 2.67	
C+ = 2.33	C = 2.00	C- = 1.67	
D+ = 1.33	D = 1.00	D- = .67	

The cumulative score is found by adding the grade points for each grade your student receives and dividing that total by the number of classes taken (6).

HOMEWORK

Homework assignments provide opportunities for students to:

- Prepare for, practice, reinforce and extend skills learned in the classroom
- Use as a study tool for tests and quizzes
- Accept responsibility / use resources outside of school
- Develop good study habits and problem-solving skills
- Learn time management skills in planning and meeting deadlines
- Share information with parents about what has been learned

“Get in the homework habit”. Homework is a valuable part of the school’s instructional program and is the bridge between school and home. ***You can expect your child to have homework every night.***

For homework to impact student learning, feedback is important. Feedback may be provided by the students themselves, their classmates or their teacher. Not all homework is assigned for the purpose of receiving a formal grade. The type and the amount of homework assigned may look different by grade level, subject area, and the individual needs of each student.

ZAP: Zeros Aren’t Permitted Homework Program

Since incomplete work is often an issue of compliance, a progressive set of consequences, which includes zap lunches and in-school suspension, will be implemented until the work is complete. Maximum grades on zapped assignments decline each day: 6th Grade = 70% Day 1, 50% Day 2, 30% Day 3. For the 7th and 8th Grade the zapped assignments receive no credit, but must still be completed. Parents will be informed at all levels. Students will be able to bypass the consequence at each level by simply completing the work prior to the consequence. This program involves all graded activities teachers feel their students must complete to demonstrate learning – class work, homework, and redo’s (mastery learning). Students with more than five zaps in a five week period will be placed on the citizenship list.

CHROMEBOOK (we are a “1 to 1” district – all students will have a device)

All students will receive a district issued Chromebook. Students are expected to bring the device to school each day and have a full battery charge. The device will be used each day in school. The Chromebook belongs to LCPS, and therefore the district technology use agreement applies, and should be used for school purposes only. Students must leave the Chromebook in the protective carrying case at all times. They cannot decorate the device or case with stickers or backgrounds. Students will keep the same device during middle school and return at the end of 8th grade. If a student leaves the district or moves schools, it is expected that the device and case are returned. Damaged or missing Chromebooks, carrying cases, and/or charging cords will be assessed a replacement fee.

POWERSCHOOL: PARENT PORTAL

The Parent and Student Portals are features of PowerSchool, our student data management system. The Parent Portal gives parents the ability to view their student's grades, assignments, attendance, and other school information securely via the Internet at any time during the school year. Parent Portal is a secure web site restricted to parents who have signed the PowerSchool Parent and Student Portal Agreement and have been issued a username and password through the office. Parents without access may obtain access by contacting the main office and completing a user contract.

SCHOOL MESSENGER

SchoolMessenger is used in order to send e-mail updates to parents regarding school events and upcoming activities. Important messages are also sent home via SchoolMessenger. Parents must send an active e-mail address to the school in order to receive these notifications.

WEBSITE / ANNOUNCEMENTS

Our school's website has a variety of resources for both parents and students. The site includes staff webpages, daily announcements, and the school's calendar. The website can be accessed at <http://www.lc-ps.org>. Click on "Schools" and then our school.

GRADE REPORTING

- Report cards are issued at the end of each quarter (approximately every 10 weeks).
- Progress reports will be issued five weeks prior to each report card.
- Parents should feel free to contact the school and arrange individual conferences when necessary.
- Progress reports and report cards will not be printed or mailed. Parents will need access to parent portal in order to receive these documents electronically.

TESTING

All students are tested according to state guidelines through the State Assessment Plan. Currently, students are being assessed through the Michigan Student Test of Educational Progress (M-Step) in the Spring. Our students also take the Northwest Education Assessment (NWEA) three times per year in order to measure and track their growth in reading, math, and science. If you have questions, please contact your child's counselor.

PARENT-TEACHER CONFERENCES

Parent-teacher conferences are held one evening and one afternoon in the fall and one evening and afternoon in the spring.

HONOR ROLL

The Honor Roll is computed and published every ten weeks and is based on all classes in which a letter grade is given. The student must attain a 3.00 (B average) to qualify for the honor roll every ten weeks.

CELEBRATION OF EXCELLENCE

The Excellence Award is given at awards night to students who have maintained a cumulative grade point average of 3.7 or higher at LCPS Middle Schools (grade point averages from schools outside of LCPS will not be considered).

Awards will be presented to students for achieving the following standards for one, two, and three years:

- 6th grade: cumulative grade point average of 3.7 or higher during the first, second, and third marking periods.
- 7th grade: cumulative grade point average of 3.7 or higher during the first, second, and third marking periods of 6th and 7th grade.
- 8th grade: cumulative grade point average of 3.7 or higher during the first, second, and third marking periods of 6th, 7th, and 8th grade.

NATIONAL JUNIOR HONOR SOCIETY

The National Junior Honor Society is a service organization composed of students chosen from the school's seventh and eighth grade Honor Roll. It is a chapter of the National Junior Honor Society (NJHS).

At the end of first semester, students in 7th or 8th grade with a cumulative GPA of 3.5 or higher and citizenship grades of outstanding (O), good (G), or average (A) for the current year are invited to petition the Faculty Council for membership. Students must complete a *Student Activity Information Form & Essay Response*. Forms submitted by the deadline are then reviewed by the Faculty Council. Students are selected for membership based on scholarship, leadership, citizenship, character, and service. New members are inducted into the Society at a banquet each spring.

Members can be removed from the NJHS if they fall below the standards by which the members were selected, violate school rules or the law, or fail to meet one or more of the established obligations of membership.

Grounds for Dismissal:

- Grades

- Drop in cumulative grade point average below the level required for induction. The current cumulative grade point average requirement is 3.5.
- Procedure: The member shall receive a letter of warning and shall have one marking period to bring the cumulative grade point average up to the required level. If he/she fails to do so, he/she is subject to dismissal.
- Citizenship
 - Any member receiving an N (needs improvement) or U (unacceptable) in citizenship in any class on a report card.
 - Procedure: The student shall receive a letter of warning and shall have until the next reporting period to bring up the citizenship to the required level. If he/she fails to do so, he/she is subject to dismissal.
- Attendance & Participation
 - Members of the NJHS are expected to be active participants within the Society.
 - Members are expected to attend 70% of all scheduled meetings. Furthermore, Executive Board members are expected to attend 70% of all Executive Board meetings.
 - Members are also expected to participate in group service and fund-raising activities.
 - Procedure: A student who falls below the required 70% attendance level or consistently fails to participate in service activities and/or fundraising is subject to dismissal.
- Other
 - Any other incident that the Faculty Council determines to be conduct unbecoming of a NJHS member based on the violation of the NJHS tenets of leadership, service, and character shall face dismissal.
 - Procedure: If a faculty member, administrator, coach, or any other adult in contact with the student feels a student falls below any of the above three standards, he/she will notify the Faculty Council with full details of the incident. Based upon the severity of the incident, the student may face disciplinary action ranging from a letter of warning to immediate dismissal.
- Dismissal
 - Members should fully understand that they are subject to dismissal if they do not maintain the standards of scholarship, leadership, service, and character that were used as a basis for their selection. They are allowed limited warnings during their membership. In the case of a flagrant violation of school rules or civil laws, a warning is not required for dismissal, but a hearing will still be held.
 - The Faculty Council will thoroughly investigate before any action is taken. If the Council determines that the facts warrant consideration of dismissal, the member shall be notified in writing of the violation, the possibility of dismissal, and the need for scheduling a hearing with the Faculty Council. A hearing will then be scheduled.
 - The member will be allowed to appear before the Faculty Council and explain the situation. A parent/guardian may be present with the member, however, it should be noted that the primary focus of the hearing is to allow the member to present his or her case.
 - If a member is dismissed, written notice of the decision will be sent to the member, his or her parents/guardians, and the principal. The member will then surrender the NJHS certificate and membership card to the chapter advisor. If the member is unwilling to return the certificate, the matter will be treated as a school disciplinary matter. Any member who is dismissed or resigns from the NJHS will never again be eligible for membership or its benefits.
- Appeals
 - The dismissed member may appeal the decision of the Faculty Council under the local school district's policies governing disciplinary appeals in the school district. The student must follow the normal channels for an appeals process. The first level of appeals is with the principal. Appeals must be submitted within 30 days.
- Advisor's Role
 - The advisor is not involved in final decisions for disciplinary action and is not a voting member of the Faculty Council. The advisor is to assist the Faculty Council in following the established guidelines. It is also the advisor's duty to monitor the members' school records for grades, citizenship, and teacher comments.

STUDENT RETENTION OR FAILURE

The district is committed to education for all students based on individual abilities and interests. Unfortunately, some students fail to achieve at an acceptable academic level and must consequently face failure and/or retention. Grades of D or F are considered unacceptable. Teachers are required to communicate with the parents of any student who is performing at an unacceptable level. In addition, formal written notice of unacceptable student-achievement will be provided to the parent by the school administration. Parents will be given notice of possible retention six weeks prior to the end of school. Our hope is that the student will make academic improvements in that time. The final decision as to student retention or promotion will be made by the building administrator at the end of the final marking period. Parents are urged to stay in close communication with the student's teacher in the event that a failure notice is received.

FIELD AND OTHER DISTRICT-SPONSORED TRIPS

The term "field trip" applies to school-sponsored activities conducted before, during, or after regular classroom hours. The term includes trips associated with non-athletic extracurricular activities as well as academic school work. Field trips are an integral part of the educational program and shall support the teacher in meeting curriculum standards. The principal may approve field trips subject to availability of budgeted funds and the requirements of Board of Education Policy 2340.

All students who wish to attend a field trip must receive written permission from a parent or guardian who has the authority to grant permission. Students may be prohibited from attending field trips for any of the following reasons:

- Failure to receive appropriate permission from parent/guardian or teacher
- Failure to complete appropriate coursework
- Behavioral or safety concerns
- Denial of permission by the administration and
- Other reasons as determined by the school

ID CARDS

All middle school students are supplied with ID cards that should be carried daily. Student ID cards are used for identification on buses and to check out books in the media center. The student ID number is also used to record food/drink purchases and to debit cafeteria accounts. Students who lose their card will be charged a fee for replacement.

LOCKERS

Each student will be assigned a locker and is responsible for the condition of the locker. The school is not responsible for lost or stolen items.

- The student has the responsibility of keeping his/her locker locked.
- The student must know his/her combination and keep it to himself/herself.
- Immediate disciplinary action will be taken against anyone caught opening another student's locker.
- Do not jam the lock or set the lock so that turning the last number will open it.
- Lockers should be clean and orderly at all times.
- Do not kick the lockers.
- Do not share lockers or locker combinations with friends.
- Do not use stickers or tape on lockers. Please use magnets to adhere pictures, etc.
- No decorations may be affixed to the outside of the lockers at any time.

For the safety of our students, all backpacks and outerwear must remain in lockers during the school day.

The locker is the property of the school and not the student. The school maintains the right to search student lockers at any time. A student has no expectation of privacy in the locker or its locker contents. (Board Policy 5771)

LUNCH & BREAKFAST PROGRAM

Breakfast is offered to middle school students daily. Students should report to the serving line immediately after departing the buses and entering the school. The serving line is open at 7:50 a.m. for all students who are eating breakfast. Students may purchase a breakfast and take it to their first hour classes. Students are expected to be in class

by the final bell, which rings at 8:00 a.m. No food or beverages are to be consumed in the hallways at any time. All food items purchased in the cafeteria at lunch must be consumed in the cafeteria.

The middle school student lunch program is designed to offer students greater variety and larger portions than are available in the elementary programs. The hot lunch provides one third (1/3) of the student's daily caloric and nutritional requirements. Under the National School Lunch Program, free and reduced price breakfasts and lunches are available for children whose families are eligible under the published criteria. Applications are available at the school office.

Detailed information regarding the middle school lunch program can be accessed on our district website www.lc-ps.org. There is detailed information about the services offered by Food and Nutrition Services. The information includes:

- Meal prices
- Menus
- Information on paying for meals (<https://www.sendmoneytoschool.com>)
- Information on applying for Free or Reduced-price meals (www.lunchapp.com)

FOOD ALLERGIES

The L'Anse Creuse School District takes food allergies seriously. We understand that food allergies can be life-threatening. Recognizing that the risk of accidental exposure to foods can be reduced in the school setting, we are committed to working with students, parents, and physicians to minimize risks and provide a safe educational environment for food-allergic students. Accordingly, the Supervisor for Food and Nutrition Services will work closely with parent(s)/guardian(s) to assure that the dietary needs of food-allergic students are taken into consideration while planning menus for the District's food and nutrition services programs, and in accordance with APA regulations.

Parents should notify the school of their child's allergies and do the following:

- Provide written medical documentation, instructions, and medication as directed by a physician including a Food/Other Allergy Action Plan form. Include a photo of the child on the written form.
- Work with the school to develop a plan to accommodate the child's needs to include time in the classroom, transportation, and cafeteria, as well as an emergency action plan.
- Replace medications after use or upon expiration.
- Educate your child in the self-management of their food allergy including:
 1. Safe and unsafe foods
 2. Strategies to avoid being exposed to unsafe foods
 3. Symptoms of allergic reactions
 4. How and when to tell an adult that they may be having an allergy-related problem
 5. How to read food labels (if age appropriate)

The school will:

- Make sure every adult employed by the district who interacts with the student on a regular basis understands food allergies, can recognize common symptoms, and knows what to do in an emergency.
- Always be prepared to handle a reaction and ensure that a staff member is available who can administer medications during the school day regardless of time or location.
- Work with the administrator in charge of transportation to see that school bus driver training includes symptoms awareness and what to do if a reaction occurs.

WATER BOTTLES:

Students are allowed to bring a water bottle to school. The liquid and water bottle must be clear in color.

CLUBS

Active school-sponsored clubs are open to all students in grades 6, 7 and 8. Some middle school clubs may include:

- Yearbook
- Science Olympiad
- Student Council
- Cross Country
- National Junior Honor Society (grades 7 and 8)
- Cheer Team (Community Education)
- Cooking Club

- Art Club
- Gaming / Computer Club
- Bowling Club
- Robotics Club

INTRAMURALS

These sports-oriented activities are an extension of our Physical Education Program and stress total participation. Activities are held before school and are open to all students. Possible intramurals:

- Basketball
- Volleyball
- Soccer

INTERSCHOLASTIC ATHLETICS

These competitive sports are open to seventh and eighth graders. Teams practice most weekdays during their seasons, and all teams compete against other schools. While more emphasis is placed on the building of skills, participation of each student during games is required. Participants in interscholastic athletics ***MUST*** successfully pass a physical examination by a physician, physician's assistant or nurse practitioner prior to participating/trying-out.

- Football (fall sport)
- Girls' Volleyball (fall sport)
- Boys' Basketball (early winter)
- Girls' Basketball (late winter)
- Track for Boys' and Girls' (spring sport)

INTERSCHOLASTIC ATHLETIC ELIGIBILITY REQUIREMENTS

Purpose: Participation in school athletics is a privilege and an important part of a student's educational experience. As representatives of our school, student-athletes are expected to meet academic and behavioral standards that reflect the values of our school community. This policy establishes the expectations for athletic eligibility and outlines the procedures for determining and restoring eligibility.

1. Academic Eligibility: Any student-athlete receiving two (2) or more failing grades (F's) on the weekly athletic eligibility report will be declared ineligible to participate in any scheduled athletic contests for the following week.

2. Behavioral Eligibility: Any student-athlete receiving two (2) or more "Needs Improvement" (N) or "Unsatisfactory" (U) marks in citizenship or conduct on the weekly athletic eligibility report, or whose behavior warrants disciplinary action including suspension (in-school or out-of-school) or repeated detentions, will be deemed ineligible to participate in scheduled athletic contests for the following week.

*Student athletes will get a more detailed explanation of the Athletic Eligibility Requirements once they join a sports team

IMPORTANT: All students who plan to try out for a sports team **MUST** have a physical completed and on file prior to the first practice or try-out.

HOME SCHOOL STUDENTS: In order to participate in MHSAA sanctioned middle school or high school sports, the student must be enrolled with us for 66% of the scheduled day, for LCPS that equates to four (4) periods.

PAY TO PARTICIPATE

The goal of the L'Anse Creuse Public Schools has always been to offer excellent academic and extra-curricular opportunities to students. The district strives to partner with parents and to do what is in the best interest of students; however, times are challenging, and budget issues are a major part of the challenge. The district believes it is important to continue to offer students the opportunity to participate in athletics. In the spirit of partnership with parents and continuing to offer opportunities to students, a Pay-to-Participate Program for school sports has been implemented. L'Anse Creuse middle school sports are \$75 per sport with a maximum charge of two sports (\$150) per athlete. Middle

schools will provide bus transportation to the away contests, but it is the parent(s)/guardian responsibility to pick up from away contests.

To learn more about the athletic program, please refer to the district's web site:

<http://www.lc-ps.org/schools/middle-school/south/athletics/>

CITIZENSHIP PROGRAM (CITIZENSHIP LIST)

The staff firmly believes that students need to demonstrate responsibility for their personal actions. As a result, Middle School-South implemented a **Citizenship Program** utilizing the acronym SABRES to define the character traits that define the expected culture at MSS:

S – Self Control and behaves appropriately
A – Always on task without being monitored
B – Brings classroom materials consistently
R – Respectful of others
E – Engages in classroom activities
S – Supportive of peers

The Citizenship List program will monitor each student's classroom behavior. Any student that accumulates 2 or more low marks for Citizenship (**N's or U's**) per card marking as documented on their mid-marking report or report card, will be on the Citizenship List. Students will remain on the Citizenship List until the next mid-marking or quarterly report card is distributed (roughly 5 weeks). You can see the Citizenship Rubric below:

O / Outstanding	= student typically met all of the SABRES characteristics
G / Good	= student typically met 4/5 of the SABRES characteristics
A / Average	= student typically met 3/5 of the SABRES characteristics
N / Needs Improvement	= student typically met 2/5 of the SABRES characteristics
U / Unsatisfactory	= student typically met 1 less of the SABRES characteristics

The following criteria will be monitored to determine whether or not a student is on the Citizenship List:

1. **The student has accumulated 2 or more N's or U's**
2. **The student receives more than five zaps in a five-week period**
3. **The student has accumulated 5 or more days of suspensions/detentions from the office in one semester. (If this is the case, students remain on the Citizenship for the entire semester)**

A student whose name appears on the Citizenship List is excluded from participating in any extracurricular activities during the time his/her name appears on the list. Extracurricular activities are defined as any school activity that is not a part of the regular assigned school day. This includes all clubs, interscholastic athletic teams (both participation on the team and presence at the game as a fan), intramural teams, field trips, dances, games, school plays, talent show, non-academic assemblies, et cetera. Students on the list will not be excluded from participating in an in-school event or an after-school activity that is a class requirement for them (i.e. band students in band concerts or choir students in choir concerts) or a school day event that is deemed academic in nature. **Students with 2 or more N's and U's will meet with and be monitored by the counselor and/or associate principal.**

As soon as the Citizenship List is complete, each student whose name appears on the list will be informed personally by the Associate Principal. At this meeting, he/she will be shown his/her citizenship score, receive an explanation of how being on the list affects him/her, and will be given some suggestions on how to get off the list. Students will also be told at that time the date when the list takes effect. Parents / guardians will then be mailed a letter to officially inform them of their child's presence on the Citizenship List. The list is not posted publicly.

As soon as the Citizenship List is complete, each student whose name appeared on the list for the previous five weeks, but no longer meets the criteria for the list, thus removing him/her from the list, will be informed personally by the Associate Principal. Students are officially removed from the list when they are informed. A letter will then be mailed home informing the parents / guardians that their child is no longer on the list.

*** Associate Principal / teachers will explain this program to students in class meetings during the first few weeks of the school year.

*** Students with an identifiable disability may have an individual acceptable citizenship average determined in an IEP.

TITLE IX

L'Anse Creuse Public Schools complies with all Title IX requirements.

DANCES/SOCIALS

School dances are held after school to provide students an opportunity to socialize with their peers and to reward them for positive student behavior. There are a variety of activities in which students can involve themselves; dancing and playing basketball is a couple of their options. All school rules are enforced. Parents are encouraged to volunteer to chaperone these events. All dances end at 4:30 pm. Parents must pick up students. Students who are unable to stay until the end are asked to not attend that dance.

METRO BEACH FIELD DAY

The year-end Metro Beach Field Day is meant to recognize students for conducting themselves in a positive fashion throughout the school year. In order to attend the field day, students must have demonstrated positive behavior and maintained citizenship standards. Criteria for field day participation will be presented to students at the beginning of the fourth quarter.

BIRTHDAY CELEBRATION POLICY

Birthdays are always exciting days for students. Due to the likelihood of paint damage, students may not decorate the faces of lockers. Please understand that we cannot allow pizza parties or birthday cupcakes/cakes for groups in the lunchroom. Balloons, flowers, or other gifts delivered to the school will not be accepted or delivered to students. Each of these situations has proven to create quite a disruption, especially with the students who are not included. The best plan is to organize something fun for a group of your child's friends outside of the school day. Make it special for them!

ATTENDANCE POLICY

Regular school attendance is important to a successful education. Students need to attend class daily to benefit fully from the instructional programs. For this reason, it is extremely important that students, with the support of their parents, strive to be in school daily and on time for all classes.

MICHIGAN STATE LAW requires that all students between the ages of 6 and 16 attend school on a continuous and consecutive basis. The courts define continuous and consecutive as in class and on time every day, unless excused for medical reasons acceptable to the school. The Macomb County Juvenile Attendance Office defines the following as excessive: 10 unverified absences or instances of tardiness to school in a semester; 15 unverified absences or 10 instances of tardiness in a school year; 20 verified absences in a school year (these are absences that have been called in, but not documented by a doctor's note).

For an absence to be considered documented, it must meet one of the following criteria: illness or injury verified with a doctor's note; medical/dental appointments verified with a doctor's note; family emergencies; family religious obligations; pre-arranged absences / vacations communicated to the school's administration (unless time out of school becomes excessive).

WHEN A STUDENT WILL BE ABSENT

If a student will be absent from school, the parent / guardian is asked to please call the counseling office before 9:00 a.m. (calls from the student are not acceptable). **The attendance phone number is (586)493-5620; press 5.** If a phone call is not possible, the student should present a note explaining the absence on the day of his/her return to school. For the safety of our students, we prefer that parents utilize the telephone call-in procedure. The counseling office will attempt to call the parent / guardian if the school has not been notified of a student's absence.

Students are expected to be at school on time and in each class on time. When students are tardy, they are missing important instruction and activities in the classroom, and it is very disruptive to the class when a student comes in late. The teacher must stop what he/she is doing and explain the day's activities to the tardy student and adjust attendance. The rest of the class suffers from the disruption to their education. Being on time is a social skill that will transfer to their future work life. You can assist the school by reinforcing and modeling this important responsibility with your child.

All tardies to school are considered unexcused unless the student brings a note from a doctor (i.e. medical dental appointment). The parent / guardian must come to the counseling office and sign the student in if he or she is late. The child will then receive a pass for entry into class.

Class tardiness is defined as not being in the room when the class begins. Students should always go to the teacher who is expecting them in order to get permission if they need to be out of the classroom when the class begins. If students do not get permission, their tardiness will be unexcused. If another teacher causes a student to be late, it is important to get a slip from that teacher to explain the tardiness to the teacher of the class you are entering.

Excessive tardiness to school or throughout the school day will be subject to the following school disciplinary procedures:

During a semester, if five instances of tardiness are accumulated in one class period, an after- school detention will be assigned to the student. If a student has been tardy eight times or more in a semester, the student could potentially be suspended from school after each additional tardy.

- 1st Tardy - Teacher Warning**
- 2nd Tardy - Teacher Warning**
- 3rd Tardy – Teacher Warning**
- 4th Tardy – Warning issued by Office**
- 5th Tardy - After School Detention**
- 6th Tardy - After School Detention**
- 7th Tardy - After School Detention**
- 8th+ Tardy – Suspension**

LEAVE OF ABSENCE

If parents find it necessary to take students out of school for an extended period of time, a “Request for Leave of Absence” form should be picked up in the Counseling Office, properly completed by parents and teachers, and returned to the Counseling Office at least two days before the leave is to begin.

HOMEBOUND AND HOSPITAL INSTRUCTIONS

“A student who is absent from school for an extended period of time, or has on-going intermittent absences because of a medical condition, may be eligible for instruction in the student’s home or hospital. For information on homebound or hospital instruction, contact your building administrator.”

INDIVIDUALS WITH DISABILITIES

“Individuals with disabilities will be provided an opportunity to participate in all school-sponsored services, programs, or activities. Anyone with disabilities who may have questions about accessibility or needing accommodations should contact the building principal. Notification of the need for accommodations should occur as far in advance as possible of the school-sponsored function, program, or meeting.”

MAKING UP SCHOOL WORK

If students are absent three or more consecutive days, the school will make homework available upon request. **A 24-hour notice** is needed in order to collect a student’s homework.

1. Upon returning to school, a student is responsible for contacting the teacher for make-up work and assignments.
2. The classroom teacher should clearly define or designate a reasonable time limit to make up work or accept assignments (i.e. three days to make up three days absent).
3. Substitute assignments may be designated by the teacher in place of other specific assignments.

ILLNESS AND/OR ACCIDENTS

When students become ill during the school day, we make every attempt possible to locate the parent and request that they take the student home. We do not have the facilities or the training required to handle the vast range of students’ illnesses and/or injuries, which may occur. As a result of this fact, it is essential that each parent fill out and keep updated

emergency information as completely as possible and indicate their preference of hospital and doctor for emergency treatment. Of course, in an emergency situation, the child should be transported to the nearest medical facility able to render appropriate care, regardless of parental preference. Typically, this decision is made by an EMT or other first responder.

INFECTIOUS COMMUNICABLE DISEASES

While mumps, chicken pox, and other childhood diseases do not concern most of us as much as they once did, they can be very serious to some of our students who have little or no resistance to them. If your son or daughter contracts such a disease, please call us as soon as possible. We will contact the parents of any students with special needs.

A second cause for concern lies in our ability to deal with some of the nuisance conditions, such as scabies or head lice. Both need to be dealt with in a speedy and efficient manner. We can assist in this area also, but you must let us know as soon as possible. Students must be removed from the school's general population and should be kept home if they contract these conditions.

IMMUNIZATIONS

The Public Health Laws and School Code of the State of Michigan require that all students be immunized for Polio, D.P.T., Measles, Rubella, and Mumps, Chicken Pox, and Hepatitis B. Unfortunately, we must exclude any student from attending school if he or she does not comply with these requirements. The Macomb County Health Department, 43525 Elizabeth Road, Mt. Clemens, MI 48043, phone number (586) 469-5235 or www.macombcounty.gov/health can answer any questions you may have regarding immunization requirements or procedures. You can also contact our school office.

TRANSFER

Students transferring to another school must report the move to the office before the last day in school. A check-out sheet will be given to the student, which must be signed by each of his/her teachers and returned to the office. School records will be mailed to the new school upon written request from the school.

PICKING STUDENTS UP DURING THE SCHOOL DAY

Students may be released to their parents' custody during the school day. Parents must sign the student out on the release list located in the counseling office. Only those people listed on the emergency information list will be allowed to sign a student out. **Parents/guardians must show picture identification when picking up a student.** If the parent needs to add or delete a responsible adult from the release list, please contact the counseling office.

CHANGE OF ADDRESS / PHONE # / E-MAIL

Inform the office if you have a change of address, phone number, or e-mail address. Current information is necessary for mailings and for possible emergencies.

MEDIA CENTER POLICIES

The Media Center contains books, periodicals, and technology resources. Regular books are circulated for two weeks. A media clerk is available to assist students in locating and using these resources for research and recreational activities. Late, damaged, and lost media center materials are the financial responsibility of the student who has checked them out of the media center.

- **ACCESS:** All students enrolled in their home school have access to media center resources.
- **CONDUCT STANDARDS:** Students are to adhere to the L'Anse Creuse *Student Code of Conduct*. Students using the media center are expected to be respectful of others, respectful of school property, and be responsible, independent workers.
- **MATERIAL CHECKOUT:** Students need their student identification card to check out materials. Students are allowed to have up to two items.
- **OVERDUE MATERIALS:** Students are responsible for materials they check out from the media center. If materials are overdue, students will not be allowed to check out additional items until the overdue items have been returned. There are no charges for overdue materials. In the event of damaged or lost materials students will be charged replacement cost. If lost items are returned, money will be refunded.

- **COMPUTER ACCESS:** Students have access to the electronic card catalog, World Book Encyclopedia Online, and Lexile.com. Students who need to use other computer programs will use their individual login. Students are expected to follow the L'Anse Creuse Technology Acceptable Use Policy at all times.

TECHNOLOGY ACCEPTABLE USE POLICY

L'Anse Creuse Public Schools encourages and strongly promotes the use of technology among students, staff, parents and community members. Individuals who use district technology must have proper authorization and adhere to district policies. Additionally, all use of technology must support and be consistent with the district's stated goals. Individuals who do not follow the user responsibilities below may be subject to disciplinary action including the loss of technology privileges.

All students and their parents are required to sign a Technology Acceptable Use Policy annually. The user is expected to:

1. Respect the privacy of other users. For example, users shall not intentionally seek information; obtain copies; modify files, data, or passwords belonging to other individuals; represent themselves as another user, unless explicitly authorized to do so by that individual or attempt to gain unauthorized access to files, programs or network services.
2. Follow copyright law, patent law and licensing agreements for software programs and other data. This includes, but is not limited to plagiarizing text, copying photographs, and downloading Internet material and copying or "over installing" software disks or CD's.
3. Preserve the integrity of computers and network systems. For example, individuals shall not intentionally develop, distribute, or implement programs that harass other users, infiltrate a computer or computing system and damage, or alter software, a computer, or a computing system.
4. Report any misuse of the network to the building administrator. Misuse comes in many forms. It is commonly viewed as any message or file sent or received that indicates or suggests pornography, violence, unethical or illegal solicitation, racism, bullying, sexism or inappropriate language.
5. Refrain from creating, sending, disclosing, or accessing inappropriate materials. This includes all text files, pornographic material, viruses or files dangerous to the integrity of the network. The district may review information, such as e-mail, letters or reports without the user's permission.
6. Maintain the integrity of the electronic mail (e-mail) system. Individuals are responsible for all mail sent or received under their user account. An individual who receives material that may be objectionable should immediately report it to an administrator. In addition, the content of any e-mail is neither private nor confidential and may be reviewed by district personnel at any time.
7. Refrain from accessing chat rooms and social networking sites.
8. Adhere to the student code of conduct regarding zero tolerance of cyberbullying.

L'Anse Creuse Public Schools, through designated representative(s), reserves the right to access, read, and delete any information accessed or stored on the network or District Technology.

Individuals who do not adhere to the *Technology Use Policy* are subject to disciplinary action including loss of computer/network access. Disciplinary action will be based upon L'Anse Creuse Public Schools' Board of Education policy and the *Student Code of Conduct*.

COUNSELOR

The Middle School Guidance and Counseling Program is based on the assumption that middle school is really a bridge between elementary and secondary school. This time is a transitional stage when the students are undergoing physical, emotional, social and psychological development. With this understanding in mind, the guidance and counseling staff have a program, which we feel will meet the needs of the middle school student.

Students may request to see a counselor in order to discuss a special problem. Appointments are to be made by the students before school or during the class break. Students may sign up for an appointment in the counseling office.

All discussions between counselors and students are private and are released only with the permission of the student, unless the situation involves the safety of that student or another person. Please do not hesitate to use your child's counselors since they are there for the benefit of student and parent alike.

The major responsibility of the counselor is to provide each individual student with guidance in a total education program. Specifically, counselors offer the following:

1. Group counseling and limited individual counseling.
2. Parent conferences initiated at the request of parent, teachers, counselors, administrators, or special services.
3. Conduct case conferences with the Special Education staff or other professional community organization members.
4. Individual schedule changes which could enhance the student's educational process are handled by the Associate Principal.
5. Coordination of Career Education into the school curriculum.
6. Provide orientation for incoming students.

MANDATED REPORTER

"School teachers, counselors, social workers, and administrators are required by law to immediately report any and all suspected cases of child abuse or neglect to the Michigan Family Independence Agency." (Michigan Compiled Law 722.621 et seq.)

SPECIAL EDUCATION

We offer a full continuum of program/services designed to meet the needs of eligible students. These options range from full inclusion to a basic special education classroom. While emphasis is placed on educating all students in integrated settings to the maximum extent appropriate, placement decisions must be based on individual needs and desired outcomes and must be rooted in the Individualized Educational Program (IEP). Parent involvement is an integral part of programming. There may also be opportunities for qualified students under Section 504.

STUDENT CODE OF CONDUCT

School discipline policies at L'Anse Creuse middle schools are designed to protect the learning environment and help keep our schools safe for students and staff.

Discipline policies and sanctions are listed in the L'Anse Creuse Public Schools *Student Code of Conduct*. Consequences for fighting, stealing, cheating, vaping, smoking, alcohol/drug possession and other behaviors are explained in the code and are also addressed with students at the start of each school year. A copy of the L'Anse Creuse *Student Code of Conduct* is provided to each parent in the fall. Copies are also available in the school office and on our website.

CLASSROOM BEHAVIOR EXPECTATIONS AND POSITIVE BEHAVIOR INTERVENTION SUPPORT

Within the framework of every classroom activity, a certain atmosphere for learning must prevail. Teachers and administrators are responsible for maintaining such an atmosphere through the use of rules and fair enforcement. Students are expected and will be reminded to show respect for and consideration of the rights, privileges, feelings and needs of themselves and others. Rules for acceptable behavior within the individual classroom, in conjunction with our Positive Behavior Intervention System program expectations, will be clearly defined for the students by their individual teachers and school staff. We have the following expectations for every student:

- Follow school and classroom rules.
- Come to class prepared. (pencil, agenda, textbook, homework, silent reading book)
- Respect the rights of other people and property.
- Cooperate.
- Arrive to school and class on time.
- Use appropriate language.
- Store all electronic equipment (including, but not limited to cell phones) in school lockers during the school day.

POSITIVE BEHAVIOR INTERVENTION SUPPORT (PBIS) PROGRAM

Our Positive Behavior Intervention Support (PBIS) program rewards students for appropriate behavior using various

positive acknowledgments to enhance learning and promote positive behavior. The program increases educational achievement by allowing students to spend more time engaged in learning and completing classroom assignments. Students will exhibit enhanced self-control and self-determination as they experience fewer office referrals, improve conflict resolution, and maintain good attendance. Students can earn PBIS tickets along with other rewards that can be redeemed for prizes in weekly/monthly drawings in order to reinforce positive behavior.

VAPING / SMOKING

The students' vaping/smoking/e-cigarettes and/or carrying of tobacco in any of its forms are prohibited on school property, in school buildings, and on school buses. This prohibition includes students in transit to and from school and students participating in any school function, regardless of the time or place. Violation of this policy will result in a student being disciplined according to the *Student Code of Conduct* and may include a citation/fine from the local law enforcement agency. Parents will be notified.

SEXUAL HARASSMENT

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, other verbal, non-verbal or physical conduct or communication of an intimidating, hostile, or offensive sexual nature. Harassment refers to behavior which is unwelcome, which is personally offensive, which fails to respect the rights of others, or which otherwise creates an intimidating, hostile, or offensive educational environment. Sexual harassment does not refer to behavior or occasional compliments of a socially acceptable nature.

Not only is sexual harassment unlawful under both State and Federal law, but it is contrary to the commitment of L'Anse Creuse Public Schools to provide a safe and effective learning environment. District policy prohibits sexual harassment of students, employees and volunteers. The district will not tolerate sexually harassing behavior.

Students who feel they have been sexually harassed should immediately report the incident to an administrator or counselor. Violators will be subject to penalties of the *Student Code of Conduct*.

CITIZENSHIP

Our staff firmly believes that students need to demonstrate responsibility for their personal actions. Citizenship is based on the student's classroom behavior. Citizenship grades will be on mid-marking and report cards.

CELL PHONES, ELECTRONICS AND PERSONAL AUDIO DEVICES

Except in the situation where the teacher provides a specific pass allowing the device for classroom use, all cell phones, electronics, and personal audio devices are considered disruptive to the learning process and are consequently prohibited during the school day. Students must store electronic equipment (Cell phones, iPods, MP3 players, games, or similar items) in school lockers during the school day. They may not be stored in purses or pockets. A violation will result in the confiscation of the item, detention, and notification of the parent. The parent may also be asked to pick up the device at the school.

CELL PHONE POLICY

Except in the situation where the teacher provides a specific pass allowing the device for classroom use, all cell phones are considered disruptive to the learning process and are consequently prohibited during the school day. Students must shut off and store all cell phones in school lockers during the school day. They may not be stored in purses or pockets. A violation will result in the confiscation of the item, detention, and notification of the parent. The parent may also be asked to pick up the device at the school. Repeated violations will result in suspension from school.

GUM

Chewing gum is not permitted. If students chew gum, they are asked to dispose of it properly in a waste basket. Continued failure to comply may result in discipline as a result of defiance.

DRESS CODE

LCPS Board of Education Policy 5511: Students' dress and grooming must not disrupt the educational process, interfere with the maintenance of a positive teaching/learning climate, or compromise reasonable standards of health, safety, and decency. (Updated 8/2020)

Creating an environment conducive to the task of learning is extremely important. For this reason, we ask parents to please monitor the attire that their children wear to school each day. However, the final decision as to the appropriateness will be determined by school administration. All clothing must ensure that the student retains acceptable modesty. Any student dressing in a way that creates a distraction to the learning environment, a safety hazard, or a health hazard will not be admitted to class. Students in violation of the dress code will be sent to the office and given the opportunity to correct the violation. Subsequent violations will result in progressive discipline up to and including suspension from school.

Examples of inappropriate dress include, but are not limited to the following:

- Clothing that advocates the use of drugs, alcohol, tobacco, violence, profanity, sex, or innuendos, as well as any negative depiction of race, religion, sex or national origin
- Hats/head wear except for religious or medical reasons
- Shoulders, mid-sections & cleavage of students must be covered at all times. Tank tops, halter tops or revealing sleeveless shirts are not permitted during regular school hours.
- Bandanas, spiked jewelry, and chains

Guidelines for appropriate dress:

- Appropriate and safe footwear must be worn at all times.
- Shorts, skirts & dresses must extend beyond the open hand of the student while standing or be at least mid-thigh length.
- Pants must ride at, or above, the hip line and cover all undergarments. Pajamas are not permitted, unless part of an approved class or school activity.
- Students who wear yoga pants, tights, leggings, and other similarly designed clothing must wear those items under appropriate length clothing.

Consequences as it pertains to Middle School South

**** If a student is found in violation of the LCPS dress code, a phone call home will be made and parents/guardians will be asked to bring in a change of clothes. If that is not possible, Middle School South will provide clothing for the day that will be required to be returned, and washed, the following day. Students that are persistently defiant with regard to the dress code will be subject to disciplinary consequences. ****

CAFETERIA BEHAVIOR

The cafeteria, besides being a lunchroom, is also a place where good human relations can be developed. Each student is expected to practice the general rules of good manners that should be found in a home. The following list gives some simple rules of courteous behavior which will make the lunch period pleasant and relaxed are:

- Be seated upon entering the cafeteria and wait until your table is called.
- Do not take someone else's seat.
- Wait your turn in line (do not cut) and keep hands and feet to yourself.
- Keep hands off other people's lunch, drink, and other possessions.
- Make only positive comments. No name-calling, put-downs, mean-teasing, swearing, starting rumors, or purposely excluding/isolating others.
- Talk at an appropriate level (no screaming or making loud noises).
- Immediately stop talking and listen if an announcement is being made.
- Remain seated at the table you choose – students may not switch tables or visit other tables.
- Recycle bottles, cans and baskets in the appropriate containers.
- Tables and the floor must be clean before dismissal.
- **NO FOOD OR DRINK IS TO BE TAKEN FROM THE CAFETERIA.**

HALLWAY BEHAVIOR

- Keep hands and feet to yourself. Do not act in any way that can hurt others, including pushing, shoving, poking, tripping, hitting, kicking, or throwing objects.
- Use conversational voices only.
- Make only positive comments. No name-calling, put-downs, mean-teasing, swearing, or starting rumors.
- Stay to the right.
- Walk only.
- Walk and talk – students are not to congregate in the halls.
- Do not jump down the stairs or slide down the banisters.
- Carry materials in a controlled manner.
- Do not physically display affection.
- The elevators are only to be used by students who have an injury or disability that prevents them from using the stairs.

BATHROOM BEHAVIOR

- Flush the toilet and wash and dry hands before leaving the bathroom.
- Put only toilet paper in the toilet; put used paper towels in the waste basket.
- Keep walls and floors clean.
- Do not act in any way that is unsanitary or can hurt others, including pushing, shoving, poking, tripping, hitting, kicking or throwing objects.
- Respect the privacy of others.

ASSEMBLY BEHAVIOR

- Students are to sit in their assigned areas.
- Students are to remain attentive, refrain from disrupting others, and cheer positively.
- Students who are disruptive or cause disturbances during assemblies will be removed from the assembly, and further disciplinary action will be reviewed.
- At the conclusion of any assembly, students are to remain seated until they are dismissed.

DETENTION

Detention is the assignment of an additional period after the regular school day or during the student's lunch hour. A detention may be given to a student for any school rule violation or for lack of respect for the students, teachers, staff members, school, books, etc. The student must be in detention no later than five minutes after the school or five minutes into lunch with their written assignments on which to work. If a child does not serve the detention or does not follow the detention procedures, he/she will be assigned two detentions. If one of those is missed, a suspension will be assigned.

Students accumulating more than five after-school detentions in a semester will be excluded from participation in any extra-curricular activities (including athletics and intramurals) for the remainder of that semester.

SUSPENSION

Some school rule violations are of the severity that they result in student suspensions per the *Student Code of Conduct*. Students shall be afforded due process, which includes:

1. Notice of rules
2. Notice of misconduct
3. Opportunity to respond
4. Informal investigation for the purpose of obtaining all information pertinent to a fair decision
5. Decision made by administrator, based on offense
6. Right of appeal

Students on suspension may not participate in or attend extracurricular activities and may not be on any property of L'Anse Creuse Public Schools during the time period of the suspension.

Students accumulating more than five days of out-of-school suspension in a semester will be excluded from participation in any extra-curricular activities (including athletics and intramurals) for the remainder of that semester.

MANDATORY SUSPENSION OR EXPULSION OF STUDENTS

L'Anse Creuse Public Schools has a mandatory suspension/expulsion policy for the following:

- Student possession/use of tobacco, alcohol, or drugs
- Physical assaults
- Bomb threats

Violation of this policy may result in a mandatory suspension/expulsion from school and the involvement of police authorities. Please refer to Section IV of the L'Anse Creuse Public Schools *Student Code of Conduct* and Michigan Compiled Laws (MCL) Section 380.1311.

PURSES

Many middle school girls carry purses to school. For these girls, it is important that they keep their purses locked in their locker or in their possession at all times. Leaving the purse on the back of a chair or on top of a table in the classroom or cafeteria leaves them vulnerable to theft of the purse or its contents. In the event that a mislaid purse is taken, the school is not responsible for the purse or its contents. **All purses should be no larger than a three ring binder.**

LOITERING AFTER SCHOOL

Students are not to be in the building after 3:15 p.m. unless they are with a teacher/staff member-sponsored activity.

Please have rides here on time. Students are expected to report promptly to the after-school activity, where they will be supervised until picked up by a responsible individual. Students who are participating in after-school activities must make arrangements in advance for transportation home. Students are not allowed to be in the building unsupervised. **STUDENTS NOT ATTENDING AFTER-SCHOOL ACTIVITIES ARE EXPECTED TO EXIT THE BUILDING AT DISMISSAL.**

BUS RULES FOR MIDDLE SCHOOL STUDENTS

Many students will ride a bus to school. Riding a bus is a privilege and may be taken away from the students if their behavior endangers the safety of others on the bus.

Each student must have his or her student ID when boarding the bus. A violation will occur if a student fails to present their bus pass to the driver. Students are expected to enter and exit the bus in an orderly fashion. The driver of the school bus is in complete charge of the students riding that bus, and students are expected to respect and follow the directions of the driver. Each student will receive a copy of the *Bus Rules for Middle School Students*. All students are required to become familiar with and comply with these rules. Any violation of these rules may result in appropriate discipline, including but not limited to the suspension of transportation privileges for a period of time, as determined by the appropriate building administrator in accordance with the L'Anse Creuse Public Schools' *Student Code of Conduct*. For the safety of the students and driver, security cameras have been installed on all buses.

ALTERNATE ADDRESS BUSING FORMS

Alternate Address Busing Forms are available online at www.lc-ps.org, (Departments/Transportation). If you know that you will need bus service to or from a location other than your child's home address, please submit a new form to the Transportation Department.

RIDING ANOTHER BUS

Students, who wish to ride home with another student, must have a note from their parent. This note must state the name of the student, the name of the student whose bus they will be riding, the date, and contain a parent signature. Students should take this note to the office for approval. The note must then be presented to the bus driver upon boarding. Walkers are not permitted to ride home on a bus with another student.

BUILDING SECURITY

The building will open for students at 7:50 a.m. Since there is no consistent supervision prior to 7:50, parents are encouraged not to drop off their student(s) early. All building doors will remain locked during the school day. From 8:00 a.m. – 3:00 p.m., the only entrance is through the main office. Visitors to the building must press the buzzer next to the main door and show photo ID in order to receive access. Visitors will then sign in and obtain a visitor's pass from the main office. Our staff will routinely supervise hallways, classrooms and restrooms during the school day. Students must walk home, take the bus, or be picked up by 3:15 p.m. Students remaining for after-school activities will be supervised by the activity sponsor until they are picked up by a responsible individual. A security check will be done on all parent volunteers. For the safety of our students, all backpacks and outerwear must remain in student lockers during the school day.

EARLY ARRIVALS

While we discourage parents from dropping off their students early, we do understand that work schedules may force the issue. Please note that students arriving between 7:15 a.m. and 7:45 a.m. must sign in at the office and remain seated in the commons area. Students who fail to behave appropriately will not be allowed entry.

PICKING UP HOMEWORK AFTER HOURS

The building will be closed and locked after normal school hours. Students will not be allowed back in the building after school ends. Parents, who need to pick up homework or items for their student, must arrange a time within 7:30am to 3:30pm to enter the building. All visitors must show photo ID when entering the building.

BADGE SYSTEM FOR VISITORS, VOLUNTEERS, GUEST TEACHERS AND STAFF

For security purposes, the district is continuing its practice of requiring all visitors, volunteers, guest teachers, and staff to wear an identification badge while in any school building. Anyone entering a school building is requested to immediately report to the main office to obtain a visitor identification badge.

VIDEO MONITORING SYSTEMS (Board Policy 7440.01)

A video monitoring system is used on school buses and in many public areas of the school building. These systems have been put in place to protect students, staff, visitors, and school property. If a disciplinary problem is captured on videotape, that recording may be used as the basis for imposing student discipline. If criminal conduct is recorded, a copy of the tape may be provided to law enforcement personnel. Recordings are protected under the Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99), and cannot be shared with parents or students.

FIRE, DISASTER & LOCKDOWN DRILLS

Fire, disaster, and lockdown drills, are required by law at regular intervals and are important safety precautions. Evacuation information and School Safety Procedures are posted in each classroom. Prompt compliance is essential when the first signal is given, everyone. Students are not permitted to talk during any drills, and they are to remain at their assigned station until the signal is given to resume normal activity.

Disaster and Lockdown Warning: Announced over P.A./ Emergency bell tone over PA

Fire Warning: Signal from FIRE HORN

All Clear Signal: Announcement over the PA or intermittent ringing of school bell

DROP OFF AND PICK UP OF STUDENTS

Our school has designated the south side of the parking lot in the front of the school for dropping off students in the morning and picking them up after school. The north side of the parking lot is for staff only. Please drive carefully while in the parking lot, and be aware of students walking and crossing the lot. **You will notice in the drawing (on the back page of the handbook) that the bus lane and student drop off/pick up lanes are separated.** The goal is to eliminate students crossing the paths of buses and cars. Please assist us in providing a safe and effective plan for the pickup and drop off each day.

- A. Please use the Drop Off/Pick Up Lane ONLY.
- B. Please follow the arrows and proceed all the way to the gym doors. After dropping off / picking up your child, please leave immediately. This will assist us in maintaining a consistent flow of traffic.
- C. Please avoid "parking" in the visitors' lot when dropping off your child (use the drop off lane whenever possible – for your child's safety, we are trying to eliminate students

crossing the paths of moving cars. In saying that, we do understand that on cold mornings many parents park and wait for the bells before sending their kids out of their cars. In this situation, please have your kids exercise caution as they walk in to school and please ensure that your child crosses at the cross walk **ONLY**.

- D. Please do not park in the Bus Lane at any time.
- E. Please do not park in the staff parking when dropping off / picking up your child. Your child would then need to cross the bus lane - For your child's safety, we are trying to eliminate students crossing between buses, cars, and moving traffic.
- F. Please do not use the side parking lot for student drop off / pick up. The side parking lot is restricted to staff parking only.
- G. After dropping off / picking up your child, **PLEASE YIELD TO THE BUSES** as they exit.

PARKING FOR SCHOOL EVENTS

Please do not park in the bus drive when you attend school events. By order of the Fire Marshall, we must keep the bus drive clear in the event of an emergency. All other areas of the front parking lot are available for parents to park during after school activities.

MEDICATION

If it becomes necessary for a student to take any type of medication at school, a form signed by the parent or guardian must be presented to the school office by the parent along with the medication in its original container. All medication will be kept in and dispensed through the main office. **Students are not to carry medication, other than inhalers and EpiPens, at any time.** Students needing to carry prescribed inhalers and/or Epi-pens must have written approval from the students' physician and parent(s)/guardian(s) on record in our office. A student, who is in possession of an inhaler and/or epi-pen under the above conditions, shall have each of his/her teachers notified of this possession by office personnel.

INSURANCE HELP / COMMUNITY ASSISTANCE

In these tough economic times, many families are facing or have experienced the loss of jobs, health care, and other necessary supports. Our District website has a list of agencies to contact if you or someone you know is feeling the effects of this economic crisis. Log on to www.lc-ps.org, click on Parents/Community Help. The following is a list of some available resources:

- Student Insurance Assistance - Information on low-cost health care coverage for uninsured families, information on free health care coverage for pregnant women, babies and children under age 19.
- MI Child
- Healthy Kids
- Student Accident Insurance Program
- Dental assistance
- Food assistance
- Eye glasses assistance

PARENT ADVISORY MEETINGS

The partnership between the parent and educator is both critical and essential if children are to succeed in school. Each L'Anse Creuse middle school has a parent group which works with the building administrators and staff in order to improve programs. Join our parents at our Parent Advisory. We meet every month. Check our website calendar for dates and times.

Parents are encouraged to be actively involved in school. The Superintendent's parent advisory, fundraisers, report card distribution, help with mailings, picture day, vision screening and chaperones for socials and field trips are just a few of the opportunities in which you may become involved.

LCPS-TV "EYE ON EDUCATION"

The purpose of the L'Anse Creuse Public Schools LCPS-TV is to serve as an informational, communication tool regarding the school, curriculum, activities, programs, and general information of interest to parents, students, and the community. Currently we broadcast on:

- WOW (Wide Open West)
 - Channel 15, also 117-15
 - 7 days a week, 24 hours a day
 - **Within the LCPS viewing community**
- Comcast
 - Channel 5
 - Every Tuesday at 2 p.m. & Saturday at 9 a.m.
 - **Within the Macomb Township viewing community**
 - AT & T U-Verse
 - Channel 99 Government & Education channel

PARENTAL INVOLVEMENT

L'Anse Creuse Public Schools strongly encourages and welcomes the involvement of parents in their child's education. Your involvement is recognized and appreciated, especially since parents/guardians are the "first teachers" of our children. Parents are encouraged to stay in contact with teachers, Curriculum Night, and parent-teacher conferences. Parents should also check their child's agenda each night and discuss what was learned in school that day and assure that homework is completed.

PARENT VOLUNTEERS

Parents who voluntarily contribute their time and talents to the improvement and enrichment of the schools are considered valuable assets. We have many volunteer opportunities throughout the school year. All school volunteers work under the direction of the school staff and provide supportive services to them. Anyone interested in volunteering time or services to the school should contact our office for a list of volunteer possibilities. For the safety of our students, a criminal history check will be made through the Michigan State Police on all volunteers working with students.

SEVERE WEATHER SCHOOL CLOSING

In the event of severe weather (snow, low temperatures, ice), the official announcement for school closings may be heard over the local radio (WWJ News Radio 950 AM and all local TV stations). You may also call the school district information line (586) 493-LCPS (5277) or access the district website (www.lc-ps.org). Lastly, the school district will notify parents who are enrolled via SchoolMessenger.

PESTICIDE MANAGEMENT PROCEDURES

The policy of the school district is to implement Integrated Pest Management procedures to control structural and landscape pests and minimize potential exposure of children, faculty, and staff to pesticides. The district will employ non-chemical methods first as a means of pest prevention. The application of chemical control procedures will be used only "as needed" to correct verified pest problems. Only products that are the least hazardous and most effective for the control of targeted pests will be used.

POSTING OF SIGNS

Routine school news and information concerning school events and programs may be posted with the approval of the administrator of the school or program concerned. All other news releases, signs, or notices prepared for public dissemination on school grounds by employees, students, parents, or community members must have the approval of the Superintendent prior to release. The policy of L'Anse Creuse Public Schools is to post community announcements on the district website, in lieu of paper announcements being distributed to students.

FUNDRAISING

Our school and student-groups may from time-to-time solicit funds for the benefit of our school programs. Participation is voluntary. Door-to-door sales are prohibited by district policy. We truly appreciate the support our community gives us in our fund-raising efforts.

STUDENT SALES

Students may not sell any items at school unless they are for a school-sponsored fundraiser. Door-to-door sales are prohibited by district policy.

LOST AND FOUND

Textbooks and personal articles (ex: purses, glasses, jewelry) found in the building should be taken to the counseling office. Lost clothing should be placed in the Lost and Found bin in the Commons. If students lose personal articles or clothing, they should check these areas.

STUDENT VISITORS

From time to time we receive requests for students to bring friends or relatives to school for the day. Unfortunately, since these visits can cause disruptions, all requests for visitors, other than parents, to accompany students to their classes, will not be approved.

VISITATION OF CLASSROOMS BY PARENTS (Board Policy 9150)

The Board of Education recognizes the central role parents play in the education of their children, and supports active parental involvement in the educational process. Parents are encouraged to maintain regular contact with their child's instructors. In order to familiarize themselves with their child's learning environment, parents are also encouraged to come to planned conference evenings, school open houses, and visitation days.

Parents may also visit their child's classes on other days, subject to the approval of school administration and the guidelines listed below. Parents are asked to understand the Board's responsibility to safeguard the learning environment for all students and be sensitive to the disruption that can be caused by having strangers frequently observe the classroom, which places a strain on the teacher's ability to teach.

The Board also has an obligation to protect the privacy of all students and their families by ensuring that the frequency of visitations by one parent/guardian does not allow that parent/guardian to develop inappropriate knowledge of the behavior or academic progress of other students.

The Board adopted the following regulations for parent visitations:

1. All parent visitations are subject to the approval of the school principal, who is charged by the Board with the responsibility of guaranteeing the learning environment and privacy of students.
2. Parents desiring to visit a classroom shall make a request in writing to the principal as soon as possible, but no later than two days prior to the date of the visit. The principal should consult with the teacher and respond to the parents in a timely manner.
3. Visitors are required to check in at the school office prior to the start of the class that they wish to observe, and to follow individual school procedures for visitor sign-in, passes, escorts, etc.
4. Parents in classrooms are there as guests and are asked to behave as quiet observers of classroom activities, unless specifically requested otherwise by the classroom teacher. Visitors should arrive before the start of class and stay until the class is dismissed.
5. Except on special open houses or visitation days arranged by the superintendent, no more than 2 visitors shall be permitted in a classroom on any given day.
6. To protect the privacy of other students, the parents of a student are limited to 2 classroom visits per marking period and agree to keep any information gained on the behavior or performance of other students strictly confidential.
7. Visitation shall not be allowed during tests or other student examinations/evaluations.
8. Teachers are expected to use the time between classes for preparation, meetings with students, and discussions with colleagues. Visiting parents are to refrain from using classroom observations for impromptu parent/guardian-teacher conferences either during or outside of class time. An appointment should be made with the teacher if the parent wishes to discuss their child's educational progress.

9. Teachers shall refrain at all times from discussing the behaviors or achievements of other students with visiting parents.
10. Parents who fail to abide by these regulations or who intentionally disrupt the educational process of the school may be asked to leave and/or be denied permission for future visits.

BULLYING (Board Policy 5517.01)

It is the policy of the district to provide a safe and nurturing educational environment for all of its students. This policy protects all students from bullying/aggressive behavior regardless of the subject matter or motivation for such impermissible behavior. Bullying or other aggressive behavior toward a student, whether by other students, staff, or third parties, including Board members, parents, guests, contractors, vendors and volunteers is strictly prohibited. This prohibition includes written, physical, verbal, and psychological abuse, including hazing, gestures, comments, threats, or actions to a student, which cause or threaten to cause bodily harm, reasonable fear for personal safety or personal degradation.

Demonstration of appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment or bullying is expected of administrators, faculty, staff, and volunteers to provide positive examples for student behavior.

This policy applies to all “at school” activities in the District, including activities on school property, in a school vehicle, and those occurring off school property, if the student or employee is at any school-sponsored, school-approved or school-related activity or function, such as field trips or athletic events where students are under the school’s control, or where an employee is engaged in school business. Misconduct occurring outside of school may also be disciplined if it interferes with the school environment.

Notification: Notice of this policy will be annually circulated to and posted in conspicuous locations in all school buildings and departments within the District and discussed with students, as well as incorporated into the teacher, student, and parent/guardian handbooks. State and Federal rights posters on discrimination and harassment shall also be posted at each building. All new hires will be required to review and sign off on this policy and the related complaint procedure.

Parent and guardians of the alleged victim(s) as well as the alleged aggressor(s), shall be promptly notified of any complaint or investigation as well as the results of the investigation to the extent consistent with student confidentiality requirements. A record of the time and form of notice or attempts at notice shall be kept in the investigation file.

To the extent appropriate and/or legally permitted, confidentiality will be maintained during the investigation process. However, a proper investigation will, in some circumstances, require the disclosure of names and allegations. Further, the appropriate authorities may be notified, depending on the nature of the complaint and/or the results of the investigation.

Reporting: The District shall report incidents of bullying to the Michigan Department of Education on an annual basis according to the form and procedures established by the Michigan Department of Education.

Should this Policy be amended or otherwise modified, the District shall submit a copy of the amended or modified Policy to the Michigan Department of Education no later than thirty (30) days after adopting the modification.

Implementation: The Superintendent or designee is responsible to implement this policy, and may develop further guidelines, not inconsistent with this policy.

This policy is not intended to and should not be interpreted to interfere with legitimate free speech rights of any individual. However, the District reserves the right and responsibility to maintain a safe environment for students, conducive to learning and other legitimate objectives of the school program.

Procedure: Any student who believes s/he has been or is the victim of bullying, hazing, or other aggressive behavior should immediately report the situation to the Principal or assistant principal. The student may also report concerns to a teacher or counselor who will be responsible for notifying the appropriate administrator or Board official. Complaints

against the building principal should be filed with the Superintendent or designee. Complaints against the Superintendent or designee should be filed with the Board President.

A student may also submit a report or complaint to any of the above designated individuals through email, voicemail, regular mail or by leaving a sealed note addressed to the individual at that person's office or desk. The student may submit a report or complaint anonymously, but this may affect the ability to fully investigate the matter, when the complaining student is not available to provide additional information during the course of the investigation.

The identity of a student who reports bullying, hazing or aggressive behavior, as well as those students who provide information during an investigation will remain confidential to the extent possible and to the extent allowable by law. Only school personnel directly involved in the investigation of the complaint or responsible for remedying any violations will be provided access to the identity of the complaining student(s) and student witnesses, and then only to the extent necessary to effectively deal with the situation.

The identity of the student who files the report or complaint will not be voluntarily shared with the alleged perpetrator(s) or the witnesses unless the student (and his/her parent/guardian) give written permission to do so. Any investigation report will likewise not be voluntarily produced with the names of the reporting student(s) or witnesses. However, under certain circumstances, the District may be required by law to disclose the report and/or the student(s) names. Also, under certain circumstances, the identity of the reporting student may become obvious even without disclosure by school personnel.

Every student is encouraged, and every staff member is required, to report any situation that they believe to be aggressive behavior directed toward a student. Reports shall be made to those identified above. While reports may be made anonymously, but formal disciplinary action may not be taken solely on the basis of an anonymous report without other corroborating evidence.

The principal (or other designated administrator) shall promptly investigate and document all complaints about bullying, aggressive or other behavior that may violate this policy. The investigation must be completed as promptly as the circumstances permit after a report or complaint is made.

If the investigation finds an instance of bullying or aggressive behavior has occurred, it will result in prompt and appropriate remedial action. This may include up to expulsion for students, up to discharge for employees, exclusion for parents, guests, volunteers and contractors, and removal from any official position and/or a request to resign for Board members. Individuals may also be referred to law enforcement or other appropriate officials.

If, during an investigation of a reported act of harassment, intimidation and/or bullying/cyberbullying, the Principal or appropriate administrator believes that the reported misconduct may have created a hostile learning environment and may have constituted unlawful discriminatory harassment based on a Protected Class, the Principal will report the act of bullying and/or harassment to one of the Anti-Harassment Compliance Officers so that it may be investigated in accordance with the procedures set forth in Policy [5517](#) - Anti-Harassment.

The individual responsible for conducting the investigation shall document all reported incidents and report all verified incidents of bullying, aggressive or other prohibited behavior, as well as any remedial action taken, including disciplinary actions and referrals, to the Superintendent or designee. The Superintendent or designee shall submit a compiled report to the Board on an annual basis.

Non-Retaliation/False Reports

Retaliation or false allegations against any person who reports, is thought to have reported, files a complaint, participates in an investigation or inquiry concerning allegations of bullying or aggressive behavior (as a witness or otherwise), or is the target of the bullying or aggressive behavior being investigated, is prohibited and will not be tolerated. Such retaliation shall be considered a serious violation of Board policy, independent of whether a complaint

of bullying is substantiated. Suspected retaliation should be reported in the same manner as bullying/aggressive behavior.

Making intentionally false reports about bullying/aggressive behavior for the purpose of getting someone in trouble is similarly prohibited and will not be tolerated. Retaliation and intentionally false reports may result in disciplinary action as indicated above.

Definitions: The following definitions are provided for guidance only. If a student or other individual believes there has been bullying, hazing, harassment or other aggressive behavior, regardless of whether it fits a particular definition, s/he should report it immediately and allow the administration to determine the appropriate course of action.

"Aggressive behavior" is defined as inappropriate conduct that is repeated enough, or serious enough, to negatively impact a student's educational, physical, or emotional well-being. Such behavior includes, for example, bullying, hazing, stalking, intimidation, menacing, coercion, name-calling, taunting, making threats, and hitting/pushing/shoving.

"At School" is defined as in a classroom, elsewhere on school premises, on a school bus or other school-related vehicle, or at a school-sponsored activity or event whether or not it is held on school premises. It also includes conduct using a telecommunications access device or telecommunications service provider that occurs off school premises if either owned by or under the control of the District.

"Bullying" is defined as any written, verbal, or physical acts, including cyber bullying (i.e. any electronic communication, including, but not limited to electronically transmitted acts, such as internet, telephone or cell phone, personal digital assistant (PDA), or wireless hand held device) that, without regard to its subject matter or motivating animus, is intended or that a reasonable person would know is likely to harm one (1) or more students either directly or indirectly by doing any of the following:

- A. substantially interfering with educational opportunities, benefits, or programs of one (1) or more students;
- B. adversely affecting the ability of a student to participate in or benefit from the school district's educational programs or activities by placing the student in reasonable fear of physical harm or by causing substantial emotional distress;
- C. having an actual and substantial detrimental effect on a student's physical or mental health; and/or
- D. causing substantial disruption in, or substantial interference with, the orderly operation of the school.

Bullying can be physical, verbal, psychological, or a combination of all three. Some examples of bullying are:

- A. Physical – hitting, kicking, spitting, pushing, pulling; taking and/or damaging personal belongings or extorting money, blocking or impeding student movement, unwelcome physical contact.
- B. Verbal – taunting, malicious teasing, insulting, name calling, making threats.

- C. Psychological – spreading rumors, manipulating social relationships, coercion, or engaging in social exclusion/shunning, extortion, or intimidation. This may occur in a number of different ways, including but not limited to notes, emails, social media postings, and graffiti.

"Harassment" includes, but is not limited to, any act which subjects an individual or group to unwanted, abusive behavior of a nonverbal, verbal, written or physical nature, often on the basis of age, race, religion, color, national origin, marital status or disability, but may also include sexual orientation, physical characteristics (e.g., height, weight, complexion), cultural background, socioeconomic status, or geographic location (e.g., from rival school, different state, rural area, city, etc.).

"Intimidation/Menacing" includes, but is not limited to, any threat or act intended to: place a person in fear of physical injury or offensive physical contact; to substantially damage or interfere with person's property; or to intentionally interfere with or block a person's movement without good reason.

"Staff" includes all school employees and Board members.

"Third parties" include, but are not limited to, coaches, school volunteers, parents, school visitors, service contractors, vendors, or others engaged in District business, and others not directly subject to school control at inter-district or intra-district athletic competitions or other school events.

PARENTAL REVIEW OF CURRICULUM AND INSTRUCTIONAL MATERIALS

The L'Anse Creuse Public Schools middle school curriculum is based on the Grade Level Content Expectations (GLCE's) developed by the Michigan Department of Education. Parents can review the GLCE's by going to www.michigan.gov/mde. You can also find valuable information if you click on Parents & Family. Parents are permitted to review and inspect all instructional materials used by the District in evaluating, surveying, or analyzing students in furtherance of an instructional program. Instructional materials shall include teacher's manuals, media, tapes, or other supplementary materials. Please contact the building principal if you wish to review instructional materials or discuss curriculum.

NON-DISCRIMINATION AND COMPLAINT PROCEDURE

The District will not discriminate against any person based on sex, race, color, national origin, religion, height, weight, marital status, handicap, age, or disability. The Board reaffirms its long-standing policy of compliance with all applicable federal and state laws and regulations prohibiting discrimination including, but not limited to, Titles VI and VII of the Civil Rights Act of 1964, 42 U.S.C. §§ 2000d, et seq.; and 42 U.S.C. §§ 2000e, et seq.; Title IX of the Educational Amendments of 1972, 20 U.S.C. §§ 1681, et seq.; Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794; The Americans With Disabilities Act of 1990, 42 U.S.C. §§ 1210, et seq.; The Persons with Disabilities Civil Rights Act, MCL §§ 37.1101, et seq.; and The Elliott-Larsen Civil Rights Act, MCL §§ 37.2101, et seq.

The administrator in charge of Special Education is appointed the Civil Rights Coordinator regarding complaints of disability/handicap discrimination involving educational services, programs and activities. The Assistant Superintendent for Personnel is appointed the Civil Rights Coordinator regarding discrimination complaints made by students (grades Pre-K through 12) and/or their parent(s)/guardian(s), and involving sex, race, color, national origin, religion, height, weight, age, or marital status. The Assistant Superintendent for Human Resources is appointed the Civil Rights Coordinator regarding all other complaints of discrimination. In the event the complaint is against the Superintendent of Schools, the Vice-President of the Board of Education is appointed the Civil Rights Coordinator. Inquiries or complaints by students and/or their parent(s)/guardian(s) related to discrimination based on disability/handicap should be directed to:

Nancy Supanich, Director for Special Education
24076 F. V. Pankow Boulevard
Clinton Township, MI 48036

Inquiries or complaints made by students (grades Pre-K through 12) and/or their parent(s)/guardian(s) related to discrimination based on sex, race, color, national origin, religion, height, weight, age, or marital status should be directed to:

Dr. Greg Dixon, Assistant Superintendent for Human Resources
L'Anse Creuse Public Schools
24076 F. V. Pankow Boulevard

STUDENT AND FAMILY RIGHTS CONCERNING SCHOOL RECORDS

The Family Educational Rights and Privacy Act (FERPA) affords parent(s)/guardian(s) and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. They are:

1. The right to inspect the student's education records within 45 school days of the day the district receives a request for access (more at <http://www.lc-ps.org/Administration/LegalNotices/>)
2. The right to request the amendment of the student's education records that the parent(s)/guardian(s) or eligible student believes are inaccurate, misleading or an invasion of privacy (more at <http://www.lc-ps.org/Administration/LegalNotices/>)
3. The right to permit disclosure of personally identifiable information contained in the student's education records, except to the extent that the FERPA or Michigan law authorizes disclosure without consent
4. The right to be informed that, pursuant to federal law and state mandate, records of student discipline action against the student are considered to be a part of the "student record" and the district is required to transfer those records pertaining to suspension or expulsion to any school in which the student has enrolled within 30 days of the date of the request from the other school
5. The right to be informed that disclosure is permitted without consent to school officials with legitimate educational or administrative interests. A school official is a person employed by the district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the Board; a person or company with whom the district has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or the parent(s)/guardian(s) or student serving on an official committee, such as disciplinary or grievance committee, or assisting another school official in performing his/her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. The right to know that, upon request, the district discloses education records, including records of suspension or expulsion action against the student, without consent to officials of another school district in which a student has enrolled or intends to enroll as well as to person(s) specifically required or allowed by state or federal law.
6. The right to know that disclosure is also permitted without consent to: any person for research, statistical reporting, or planning, if no student or parent(s)/guardian(s) can be identified; any person named in a court order; and appropriate persons if the knowledge of such information is necessary to protect the health or safety of the student or other persons.

Directory Information

7. The right to prohibit the release of directory information concerning the parent(s)/guardian(s)' child. Throughout the school year, the district may release directory information regarding students, limited to:
 - Name, picture, grade level, academic awards, degrees and honors, information in relation to school sponsored activities, organizations and athletics, and major field of study.
8. The right to prohibit the release of directory information concerning the parent(s)/guardian(s)' child to Armed Forces recruiting personnel. Student information to be released to the Armed Forces is to include: name, address, and telephone number.

Any parent(s)/guardian(s) or eligible student may prohibit the release of any or all of the above information by delivering a written objection to the building principal within 30 days of the date of this notice. No directory information will be released within this time period, unless the parent(s)/guardian(s) or eligible student(s) are specifically informed otherwise.

1. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the district to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
Washington, D.C. 20202-4605

PROTECTION OF PUPIL RIGHTS (PPRA) NOTICE, CONSENT AND OPT-OUT INFORMATION

The Protection of Pupil Rights Amendment (PPRA) requires L'Anse Creuse Public Schools to notify you, obtain consent, or allow you to opt your child out of participating in certain school activities. These activities include a student survey, analysis, or evaluation that concerns one or more of the following eight areas ("protected information surveys"):

1. Political affiliations or beliefs of the student or student's parent;
2. Mental or psychological problems of the student or student's family;
3. Sex behavior or attitudes;
4. Illegal, anti-social, self-incriminating, or demeaning behavior;
5. Critical appraisals of others with whom respondents have close family relationships;
6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
7. Religious practices, affiliations, or beliefs of the student or parents; or
8. Income, other than as required by law to determine program eligibility.

NON-SCHOOL-SPONSORED STUDENT CLUBS AND ORGANIZATIONS (Board Policy 5730)

Student initiated, non-curricular related groups shall be permitted to conduct voluntary meetings on school premises only before or after the school day, provided the meetings do not materially and substantially interfere with the orderly conduct of the educational activities of the school or violate Board policy or state or federal law. Such meetings shall be open to all students without regard to race, creed, color, sex, handicap, religion, or national origin.

Students seeking to establish a voluntary, non-curriculum related student group shall first seek approval of the building principal. The principal shall grant permission provided that: the activity has been initiated by students; attendance at the meeting is voluntary; no agent or employee of the district will promote, lead or participate in the meeting, the meeting does not materially and substantially interfere with the orderly conduct of instructional activities in the school, and non-school persons do not direct, conduct, control or regularly attend the activity. Should the principal not approve the student group, the students may submit a written request to the Superintendent within ten days of the notice of denial for a review of the principal's decision. Should the Superintendent deny permission, the Superintendent's decision may be appealed to the Board of Education. The Board's decision shall be final.

NON-SCHOOL-SPONSORED STUDENT PUBLICATIONS (Board Policy 5722)

Students are exposed to diverse opinions on an infinite number of topics through the various mass media. Students who have facts and opinions should be allowed to express them in print as well as through oral communication. However, student-editors and writers of non-school-sponsored student publications must observe the same legal responsibilities as those imposed upon conventional newspapers and communication media. The school official may review the content and reject an article/publication due to one of the following four (4) reasons where:

- Poor grammar or writing is evident
- A legitimate question of age appropriateness of the material exists
- Matters beyond the limited scope of the forum are included and/or
- The content involves unprotected speech

Student publications that are not libelous, disruptive or obscene, may be distributed on school property during school hours in areas designated by the building Principal. Distribution that substantially interferes with the normal flow of traffic within the school corridors and entranceways, which is coercive of any other person's right to accept or reject any publication or which causes substantial material interference with "normal school activities," shall not be permitted.

BOOK FINES

Students are responsible for the books that they were issued during the year. In the event that materials are damaged or lost, students will be charged replacement cost

MASTERY LEARNING

The goal of mastery learning is to increase the educational attainment of our students. More specifically, mastery learning is designed to ensure students have learned the content in class to the highest degree possible.

In order to reach this goal, if 70% of students in a particular class do not receive an 70% or better on any formal assessment the following steps will be implemented:

- Teachers will analyze the assessment and identify the concepts on which the students struggled.
- The identified concepts will be re-taught to the entire class, and these concepts will then be reassessed. If 70% of a class achieves 70% or better, then the following steps will be implemented:
- Teachers will analyze the assessment and identify the concepts on which the students who did not earn an 70% struggled.
- The identified concepts will be retaught only to the students who did not achieve an 70%, and these affected students will be reassessed only on the concepts they did not grasp.

For the students who are reassessed, they have the opportunity to gain enrichment points for the assessment. The original assessment score, however, will remain.

HABITUDES:

This is a character education program that will help our students with goal setting and making positive decisions. This will be done on Wednesday's during 4th hour and will consist of weekly lessons and activities.

HALLWAY HERO:

This is an anti-bullying program that encourages students to "stand up and speak out" when they witness bullying and not be a bystander. Students can inform staff anonymously by filling out a form and turning it into the "hallway hero" boxes located in the office and commons area. All reported incidents of bullying are addressed by either the counselor or administration. Students can also fill out the form in a positive way for when they notice someone standing up to a bully or doing something positive for another student. Those students are recognized and rewarded for their positive behavior.

Advanced Math Placement Criteria

L'Anse Creuse Middle School Advanced Math Placement Ranking

2024-2025 SIXTH TO SEVENTH GRADE & SEVENTH TO EIGHTH

*Current advanced math students will remain in advanced math unless it is determined that the student will be placed into general math (due to difficulty keeping up with the pace of the course, poor grades, teacher/parent concern). Teachers and administrators will determine placement on a case by case basis.

For open seats in advanced math classes the following data will be considered

- 50% Fall NWEA
- 50% Winter NWEA

*Please note that students moving from general to advanced math may need to complete some summer work to complete content missed in their general class.

ADVANCED ELA PLACEMENT CRITERIA

7th Grade: (Using data from 6th grade)		8th Grade: (Using data from 7th grade)	
NWEA (fall score)	50%	NWEA (fall score)	50%
NWEA (winter score)	50%	NWEA (winter score)	50%
Total – 100%		Total – 100%
