Information regarding School of Choice will be
available the first week of February

Traditional Kindergarten

Each of our elementary schools offer a comprehensive full day Kindergarten program that focuses on reading, writing, math, science, and social studies. In addition to our hands-on interactive classrooms, our students experience a variety of specials programs including music, physical education, art, and Spanish.

Transitional Kindergarten (TK)

Our TK program offers a gift of time to those students who might benefit from an additional year before entering Kindergarten. TK is the first of a two-year Kindergarten sequence. Students attend Transitional kindergarten followed by Kindergarten the next school year.

For more information, please visit:

NOW ENROLLING FOR THE 2026-2027 SCHOOL YEAR!

Parents will bring the completed enrollment packet and all the required documents to their child's school.

Enrollment packets are
available at:

<https://www.lc-ps.org/parents/enrollment/>

A child may enroll in Kindergarten
if the child is at least 5 years of
age on September 1, 2026.
